Editorial

Reports from the Treasury Department show that the Boy Scouts of America sold \$300,000,000 worth of Liberty Bonds and \$50,000,000 worth of War Savings Stamps during the national emergency. As the membership of this organization now includes 400,000 boys, or one-twenty-fifth of the 10,000,000 young Americans of scout age in this country to-day, the following potent hypothesis deserves consideration:

If all the boys between the ages of 12 and 21 were Scouts when the nation called for their services, they would have been able to have multiplied their remarkable record 25 times, which means that their Liberty Loans sales alone would have amounted to \$7,500,000,000, or more than the first two issues combined!

Truly, the Scouts may be said to be an organization of national service!

Women's Community Club Notes

The Hospitality Committee submits the following report:

Year opened with luncheon November 12th, at the home of Mrs. Robert Dothard, Wynnewood road, at which time 35 members and guests were served. The "Get Together" evening was held a short time later with 175 members and guests present, where refreshments were served.

Then in succession followed the March 17th dance, which cleared about \$50.00. The Round Table Luncheon, Thursday, April 24th, was our banner event. One hundred and thirty-five members and guests were served. Several card parties were held later, Mrs. Edgar Taylor, Mrs. Harry Jacobs and Mrs. Horace Obdyke acting as hostesses.

The out-door luncheon held at the home of Mrs. Dothard, with the new members acting as the reception committee, brought the year to a close, and the splendid co-operation of the members made the year a most successful one.

The active members of the reception committee were: The Executive Board, Mrs. Robert Dothard, Mrs. J. W. Joyce, Mrs. Edgar Taylor, Mrs. Jesse Harris, Mrs. William Henderson, and Mrs. Horace Obdyke.

Special mention must be made of the great assistance given by Mrs. Carl Metzgar towards making the dance a great success. The Misses Nellie Smith, Doris Batchelor, Jane Laird, Augusta Witherow and Margaret Fowler should also be given special mention for great assistance.

ELEANOR VERNA,
Chairman.

IS RELIGION AN EDUCATIONAL ESSENTIAL?

A Reason Why Narberth Should Provide a Summer School of Religion For Its Boys and Girls.

Benjamin Kidd, in his "Social Evolution," most clearly and logically indicates that no progress of the human race would have been possible without a supernatural sanction for such progress. You would not respond to a call of service to meet the needs of others if not led to do so by the Spirit of a Supreme Being. Without the inspiration and help of this higher power you would naturally look out for yourself first, which would inevitably make our present co-operative, inter-dependent social organization utterly impossible.

If the above is true, and we will surely all recognize it as a general truth, are we devoting enough time to religious education? If our public school system is fulfilling its task of giving to its pupils the common thought material necessary to make them intelligent citizens, are the Christian forces doing all in their power to motivate that common thought material with religious principles in order to make

deavoring to measure up to their task against many handicaps. These schools are open for instruction approximately fifty hours during the entire year, and attendance is voluntary. The public schools are open about 975 hours per year, with attendance compulsory. The ratio is twenty to one, with religious instruction on the short end. Therefore, the Sunday Schools should be aided in their most important task by some means of instruction that will add to the time spent each year on the study of religion.

Narberth experimented last year with a Daily Vacation Bible School, conducted by the Philadelphia Association which promoted such work in this district. Our experiment was in many ways a success and in other ways unsuccessful. We learned many lessons. During the four weeks in July our attendance many times passed the hundred mark, but the extremely low attendance of the closing two weeks in August brought average for the whole six weeks down to fifty boys and girls. The Bible stories, memory work and singing were taught in a fairly successful manner, while the handwork period was found to be too lengthy and tiresome.

Experience gained by the above experiment would lead us to think that two main faults could be remedied if a school of like nature were conducted this coming summer. First, to conduct a four instead of six-weeks' session, starting July 7th and ending August 1st. Second, decrease the time allowed for handwork considerably and in its place substitute games, exercises, dramatics, etc., all being expressional of the Bible truths taught in the study periods.

The shortened term would decrease the budget of the school from the \$225 of last year to not more than \$150, which amount would certainly be a low cost for the good accomplished. If the daily session (Monday to Friday) could be fixed at three hours—9 to 12 o'clock—the total number of hours added to the time used by the Sunday Schools would be sixty, a 120 per cent. increase.

In the evening fifty lantern slides will be used showing Mecca, the world's last forbidden city, and the holy places of Islam. In view of the part Turkey played in the recent war, this theme should be of great interest.

In spite of threatening weather, the church building was well filled last Sunday evening to hear the young people give "The Garden of God." Most of those present were enthusiastic in their appreciation of the way the children took their parts and the message they brought.

Those who have recently come to Narberth will be most welcome to any or all of our services. We shall be glad for an opportunity to get acquainted and welcome you to this community.

THE FIRESIDE

(Continued from Page 1)

Miss Helen Herron Taft, daughter of former President Taft, has been chosen by the Board of Directors of Bryn Mawr College to serve as acting President of that institution next year, Dr. M. Carey Thomas having been given a year's leave of absence for a trip around the world.

Bryn Mawr College commencement was held last Friday morning in the gymnasium, when the address was delivered by former President Taft, who spoke on "The League of Nations." Eighty-seven students received the degree of Bachelor of Arts; five the degree of Master of Arts, and two the degree of Doctor of Philosophy. Numerous prizes, fellowships and scholarships were awarded.

Adapted from an English novel by Anthony Paul Kelley, author of the great stage success, "Three Faces East," his "A House Divided" will be shown at the Palace Theatre, Ardmore, on Wednesday. It has a full share of human interest, entertaining characters, and a number of excellent dramatic situations. Herbert Rawlinson is a capable hero and Sylvia Bremer a capable heroine, and a well selected cast of notable players, making the production most acceptable to the many screen patrons.

The last meeting for the season of the Evangel Circle of King's Daughters was held in the Y. M. C. A. Building on Wednesday, June 11th. The hostesses for the luncheon were Mrs. William I. Jones, Mrs. W. I. Trotter, Mrs. E. F. Witherow. The Circle was glad to welcome as new members Mrs. G. J. Erdman, Mrs. L. E. Knapp and Mrs. F. H. Hewitt. Anyone having any new pieces of gingham or goods suitable for making patchwork quilts, they would be appreciated; also pieces of old linen that could be used for wounds. Hope folks in Narberth will not forget our Holiday House luncheon on Friday, June 27th, 12 o'clock.

Balance of the book sets forth the names of the officers of the Association, along with the active members and the various amounts donated, as well as a detailed statement of what has been accomplished in these six years by the Merion Civic Association. To read this little booklet is very inspiring and shows what can be done in any community where money and service can be given for civic work.

Borough Places Big Contract

The Council of the Borough of Narberth has contracted with the Atlantic Refining Company for the placing of approximately 15,000 gallons of asphalt on certain streets, designated below, and the same to be covered with one-half inch slag chips, at forty pounds to the square yard, this work to be done by the Borough force.

All public service corporations and builders are requested to make any contemplated street openings before the work is started, as after the street is finished no permits will be granted for opening of the same for one year, without special permission of Council.

Narberth Amateurs Defeated by Berwyn in an Exciting Game

In a well-played ball game the Berwyn A. A. defeated the Narberth Club at Berwyn. The Narberth team took the lead in the first inning, but the timely hitting of the home team won the game for them in the ninth frame. The Narberth Amateurs had a very hard time in getting organized, but the team is steadily improving and they should be among the top-notchers at the end of the season.

Students represented schools at Villanova, Narberth, Bala, Cynwyd, Gladwyn and Ashland, and other Maine Line towns. Superintendent Downs welcomed the students, who will enter the High School this fall.

Ardmore Avenue School presented "Joan d' Arc," a patriotic piece. Isabelle Powell and Algernon Stillwagon did well in their parts. The Merion Square School gave a flag drill with music. The Bryn Mawr boys carolled an amusing satire, entitled "What We've Come Through." It was a great hit.

Bala was splendid in the "Liberty Loan Revue," made up of tableaux of Loan posters. The Bryn Mawr girls presented a play, "Do Your Best," which was of high merit. Misses Powell and Streeter took strong parts.

Cynwyd gave a series of pictures of "Grandmother's Album." Quaint styles were shown. The Ashland School won praise in a "Sports Drill." The combined schools then sang the national anthem.

FAIR AND FESTIVAL AT FAIRVIEW.

The fair and festival held on Wednesday and Thursday evenings for the benefit of the Fairview Sunday School was attended by a large throng of folks from the immediate community as well as many from Narberth and other places.

Among those in charge were Mr. Eli Ewing, Mr. Samuel Markle, Mr. Warner Smith, Mr. Montgomery, Mr. Jacob Greiner, Mr. Charles Schmidt, who has just returned from France; Mrs. Grow, Mrs. Dr. Duebler, Mr. L. F. Smith, Mrs. Schmidt, Mrs. Charles Young, and Mrs. Greiner.

Among the visitors present were Dr. and Mrs. Romaine C. Hoffman, Mr. and Mrs. Edward S. Haws, Miss Marian Haws, Miss Eleanor Ward, Miss Sylvia Cumber, Miss Compton, Miss Yowell, Mr. I. T. Ward, from Narberth; Mr. Edward Holsworth, of Philadelphia; Mr. Charles Fryer, from Gladwyn.

POOR JOHN.

An Irishman meeting another asked him what had become of their old acquaintance, John.

"Alas," replied the other, "poor John was condemned to be hanged, but he saved his life by dying in prison."

Narberth High School Year Book Completed

BIG ANNUAL TO BE DISTRIBUTED CLASS DAY.

"The Owl," the Annual and Class Record of the High School, has passed from the embryonic stage to that of realism, and to judge by the splendid work done by the printers, very satisfactory realism.

Work on this volume was started in February, and the Senior Class has been at work on it ever since. As originally planned, the book was to be of rather small size, but the splendid support given by the advertisers enabled us to enlarge the book so that a volume of 64 large pages has been prepared, well illustrated and beautifully bound. This book will be of intense interest to every man, woman and child in Narberth, whether directly associated with the school or not.

"The Owl" will consist of the annual class record, with pictures of all members of the graduating class, together with the class day and commencement orations, a full athletic review, with pictures of both the victorious basketball teams, a page devoted to the alumni and their activities, a record of our faculty, short stories, poetry, autographs, jokes, and many other features.

The friends of Mr. Emmett will appreciate the possession of his photograph, which is included, not only with those of the teams, but separately. The sale of a sufficient number of copies of the book will enable us to clear all expenses and still offer the larger book at our originally planned price, one dollar.

If you have not already ordered your copy, will you please attend to it now, using the coupon below. The book will then be delivered to you on class day (Tuesday). Further information, if desired, may be secured from any member of the graduating class.

(Tear off and mail)

The Senior Class,
